Description

- WOW-T4501 45W with latest design
- Unique heatsink design, perfect heat dispersion
- Flexible 360°, adopt special lens (lens & reflector in one, over 90% light transmittance
- Famous LED chip-CITIZEN LED
- High lumen 2500-2700lm High CRI>85
- Smaller size, higher lumen

Lighting Technique info

Input Voltge	AC220-240V/100-120V 50hz
Input Power	45W
Color Temperture	3000K-5000K
LED luminous Flux	2500-2700lm
CRI	>85
Led quantity	1pcs
Led brand	CITIZEN
Beam angle	30°, 60°
Dimmension (mm)	Ø80*100
Life span	>50,000 hours
Operating Temperature	-20?-50?

Application

- Household Lighting
- Commercial Lighting
- Decorative Lighting
- Office Lighting

Features

- Available 2 Wires, 3 Wires, 4 Wires
- Unique appearance
- Short Circuit & Overload proted
- With reflector design, make light equality soft, glare prevent
